

Dear Parents,

Approaching towards the completion of a wonderful academic year full of great achievements and fond memories the college is keeping its goal in focus and striving to prepare its students for the upcoming examinations. The month of February witnessed the students' participation in Ignition Challenge, at State level camp along with rigorous academic plan.

ACADEMIC PROGRAMME

It is a crucial year for final year students and no stone is being left unturned to improve their existing performance. They have completed their final practical examination. A lot of efforts from students side was also ensured to match the pace and rigorous demands of the programme. Individual improvement plans have been prepared by the teachers to ensure that each student has been provided individualized support. We wish them all the best and we are sure that they will reach their targets and continue to venture into wider horizons.

The second and first year students have also been exceptionally active, not only in implementing and upholding our rigorous academic programmes, but also in other areas. We look forward to working together to help our students on their pathway towards success. All the University Examination schedule has been finalized by Sambalpur University

- +3 Final University Exam-March 6th-March 20th
- +3 Second University Exam- March 29th-April 13th
- +3 First semester Exam-March 23rd-March 28th
